YOUTH PROGRAM

- **Ramstein HS College Night**

SAME Kaiserslautern Post Youth Programs was represented at the Ramstein High School College Night, 17 Oct 02. Engineering brochures and scholarship applications were handed out to students interested in an engineering or related science career field for a chance to earn one of our annual awards, such as a trip to the USAFA Summer Camp or cash towards the college of their choice.

- **Future Engineers**

Our SAME members are continuing to support our future engineering students by participating as math mentors and school projects advisors, which has led the overall Youth Programs to success, this past year. This year, we will also be working as sponsors with students enrolled in the Career Practicum Program. Our participating members will give them the opportunity to gain community experience in their chosen career field by shadowing their specific area of interest. This program allows the students to enter a career field with much more knowledge on their expectations. If you would like to offer an hour or so to show your area of expertise, at your office or out on the field, please get in touch with the Youth Programs Coordinator.

For more information, visit our website www.same.org/germany.

ADVERTISEMENTS

ENGINEERING SUCCESS STORIES

Why not include an article on a successful engineering or related project that your organization has conducted for the US Air Force or the DoD.

The article need not be very long, approximately 200-500 words maximum. If possible include a couple of images/pictures that might enhance to article.

If you have an article you would like to include, please contact Mike Adam at (0631) 340-1457 or email text and/or images to Mike_Adam@urscorp.com

SAME Kaiserslautern Post Coins

SAME Kaiserslautern Post coins are now on sale for **\$6.00**.
