The Monthly Mentor

Contributed by Capt. Chris Knutson.

Available Now for PE Study Support*

Individuals preparing to take the civil engineering PE examinations now have access to two study aides provided by ASCE. The materials include the 2001 PE Exam Review CDROM set as well as the Civil Engineering Exam Review Video Program. Both resources provide review commentary, examples, and discussions on the following areas:

- Hydrology and Hydraulics
- Structural Engineering
- Sanitary Engineering
- Transportation
- Soils
- Surveying
- Economics

If you are interested in checking-out any of these resources please contact Capt Chris Knutson on DSN 489-7395 (06315 36 73 95) or via email at christian.knutson@ramstein.af.mil.

*These resources are only available for use by members of the Kaiserslautern Post of SAME.

PE Mentors

The Kaiserslautern Post of SAME has enlisted the support of PE mentors to help you through all phases of the licensing process. You can identify a PE Mentor by visiting the Kaiserslautern Post Web Site at www.same.org/germany.

To volunteer to become a mentor, contact Chris Knutson.

Upcoming Meeting and Events

at the Riesen Weinfass
(Giant Winebarrel)
in Bad Durkheim.

Exec. Committee Meetings
(held at Ramstein Golf Course Club)

October 18 – 7:30 am

November 15 – 7:30 am

Notes from the President

It has been a great year!

My time has come to an end as your president. Through everyone's hard work, from speaking at a meeting, putting together a trip, or 'dragging' office mates to a meeting, we've succeeded in making our post outstanding.

Here's a year in review:

- Won membership drive for increasing membership from 80 to over 120
- Started web site and monthly flyer
- First ever sustaining member meeting
- More active sustaining members
- Held first annual Fasching party
- Active executive committee of more than 15 people created great programs
- Granted \$500 scholarship
- Sponsored two students to joint USAFE/SAME Construction Camp
- Held joint National Contract Mgt Association / SAME seminar
- Providing Professional Engineer mentoring and licensing assistance
- Created active school programs with two teachers and four student members

Stay tuned for some things coming up such as our first Christmas party, our second annual Fasching Party and the 2002 Regional Conference. My thanks to our executive committee and all our members for making this year such a success! It's a great team!

Spotlight on Sustaining Member Firms

Buchart-Horn, Inc.

Organized in 1945, Buchart-Horn has planned and designed projects totaling more than two billion dollars. From strategically located offices throughout the United States and Europe, Buchart-Horn provides comprehensive professional services to clients in both the public and private sectors. Their work reflects the wide variety of clients served during the past 50 years.

The Buchart-Horn GmbH office located in Eschborn (outside Frankfurt am Main) has been in operation for the past 15 years providing architectural, engineering, and environmental services to the U.S. Department of Defense and private industry in Europe.

Services include:

- Architecture
- Aviation
- Civil Engineering
- Construction Phase Services
- Environmental Engineering
- Geological Engineering
- GIS and Photogrammetry
- Planning
- Telecommunication Services
- Transportation Engineering
- Utility Deregulation Services
- Pre-deployment Studies
- Feasibility Studies
- Life Cycle Cost Analyses
- Utility/Infrastructure Studies
