Presidents Notes

Col. Jeff Leprone.

The tried and true axiom that flexibility is the key to airpower also applies to engineers. We've had a few changes to our Post's plans. 1st, the Regional SAME Conference originally scheduled for the week of 21 Oct at Lake Chiemsee has been cancelled. The EUCOM engineering conference will take place as planned. The 2nd change involves our *Post Executive Committee Elections*. Upon further scrutiny, our by-laws call for elections in November versus October as we planned. Therefore, instead of rushing to change the by-laws, we'll just hold the elections, by voice vote of those members at the November meeting. This gives you more time to **volunteer** to become a part of your Post's leadership. We still need nominees for the following positions:

- **Programs Co-chair**
- **Sustaining Member Coordinator**
- **Webmaster**
- **Awards Chairman and**
- **Next years EUCOM/SAME Conference Coordinator**

I challenge you make the commitment and lead your Post next year. Submit your name as a nominee for one of the vacant positions. Please feel free to call me if you have an interest or questions.

Many thanks to Franz Pfaffenrath for procuring our great Kaiserslautern Post coins. You can have one of your very own for only \$6.00. You never know when you'll need it!!!

I hope all of you had an enjoyable summer. With year-end closeout, deployments, construction and maintenance issues, and the myriad of other activities we work, I know you have your hands full. I thank you for your service to our Post. See you at the next meeting.
